## About The Vessel

CV II is a powerful, shallow draft, aluminium workboat available for charter in Queensland.

She has a 9-ton aft bollard pull, a 3.5-ton forward bollard pull, is rated to 2.5-ton deck loading and has an open 2.5 x 2-meter flat deck that provides a stable, clear work platform.

A trailerable monohull workboat that can carry a complement of 5 crew, suitable for various applications.

These include barge movements, project support, dive operations, cargo/machinery and personnel transport, harbour work, dredging support, marine construction and more.
