WB IV

Specifications

Name	WB IV
Vessel Type	Dumb Barge
Survey	USL Class 2C
Length	20.52 meters
Beam	9.75 meters
Depth	2.38 meters
Load Capacity	80 tonnes

WB IV is a 20.52-metre steel dumb barge available for charter throughout Queensland.

This flat-top, rectangular barge is ideal for a wide range of marine and construction projects, including cargo and machinery transport, piling, drilling, dredging, excavation, and crane operations.

With a shallow draft, WB IV offers versatility across various inshore and nearshore environments.

She can be chartered on her own or alongside one of our tugboats for additional support.
